TEAM: VVS and Rules Committee Decisions concerning eligibility are FINAL. A team may sub in for a match (with players from their roster), but all players in the Final 4 Bracket must have played at least 1 match during the Round Robin qualifier. Players competing in a Team Event will not be allowed to play in the mini-events during the same time period. All Team events will be a Round Robin format.

Mini-Tourneys: Entry Fees are \$5 / player / tourney unless otherwise noted. Your Skill Level will be generated from our New VVS Player Skill Ratings list. Check with Marshall. Players from Lincoln VVS "Specialty", Hastings and Kearney VVS Leagues will be allowed to play in any event other than the team championships. As always, there will be several tourneys offered that do not appear on the Time Schedule.
