### Attention:

Much thought and discussion has been given to this year's 20 week schedule that will leave 3 weeks vacant before the VVS City Pool Tournaments begins next month. I considered a proposal to play a Round Robin Tournament for City with the first 3 rounds being played on subsequent Wednesday nights after the Position Round and the next 6 rounds being played at the city tournament but this is not what the plan will be.

The Masters Division at City will be a Seeded Double Elimination Tournament as in the past.

The main thought I heard from some players is that they did not like the 3 week break so this is what I want to offer to you.

### Optional Warm Up Single Elimination Tournament for High Roller Teams

Played on subsequent Wednesday Nights before City in locations. Each team is guaranteed at least 2 matches.

Contact VVS no later than Friday, February 19 if your team is interested in entering this Warm Up Tourney.

Entry Fee: \$50 / Team. Can be paid on your first match or deducted from Season Winnings. (No nightly fee)  
Any team that owes money to VVS after their ledger is reconciled will not be allowed to play in this or VVS City!

Pairings will be determined by Random Draw for the Warm Up Tourney.

Prize Money for this tournament will be completely separate from the League Season and City Tourney Paybacks.
